About Cantex Mining Services

Cantex Mining Services is a leading civil and mining construction company, proudly 100% Indigenous-owned and headquartered in British Columbia. We are a subsidiary of K'en T'em Limited Partnership, whose limited partners are the eight Participating Bands of the Citxw Nlaka'pamux Assembly: Ashcroft Indian Band, Boston Bar First Nation, Coldwater Indian Band, Cook's Ferry Indian Band, Nicomen Indian Band, Nooaitch Indian Band, Shackan Indian Band, and Siska Indian Band.

Cantex is recognized for its unwavering commitment to quality, safety, and operational excellence. Our experienced management team, skilled professionals, and fully trained workforce are dedicated to delivering high-performance projects on time and on budget. We take pride in executing well-managed operations with a focus on safety, reliability, and outstanding workmanship.

As an Indigenous-owned enterprise, Cantex is deeply committed to advancing economic development and creating meaningful opportunities within our communities. We believe in building a strong future by fostering long-term prosperity and sustainable growth for the generations to come.

Position Overview:

Cantex Mining Services is seeking a Health and Safety Advisor. Health and Safety Advisors are responsible for health and safety activities, site security and providing first aid. Must have strong interpersonal communication and skills, speak in front of a group, and be able to work in a team environment. This role is suited to someone who thrives in a fast pace environment with the ability to perform and make decisions under pressure. Must have 1-3 year of experience as a Safety Advisor/Advanced First Aid is required. Health and Safety Advisor reports to the Health and Safety Manager.

Responsibilities:

- Encourage all aspects of health and safety rules and procedures leading by example
- Respond to emergency situation providing first aid as required
- Facilitate orientation for new hire and site requirements
- Support and guide Health and Safety Program to follow WorkSafe BC and/or Health and Safety reclamation code
- Ability to ensure access and egress to the site follows policies and procedures
- Ability to provide first aid and complete accurate and timely reports
- Ability to provide guidance and support to incident investigations and field inspections
- Maintain and order safety supplies including first aid equipment
- Ability to maintain safety management system including all supporting documents in an electronic data base
- Other duties as identified and assigned
- Must be Clean Shaven for Respirator Fit test

Qualifications:

- Advanced First Aid
- High School Diploma or equivalent
- Proficient in English language
- Class 5 drivers license with no restrictions
- Working knowledge of Microsoft Office, Excel, Word, and Outlook with the abilities to email scan file and create documents
- Must pass a Drug and Alcohol Test
- Must be a Canadian Resident

Please Note:

This is not a camp provided site. Employees are required to be from the region & find their own accommodations for this local hire project.
