Position Overview:

Cantex Mining Services is seeking a Dozer operator who will be responsible for operating lever-controlled graders to maintain roads, slope profiles, and construction surfaces in a safe and efficient manner.

Responsibilities:

- Grade surfaces per specifications, including roadways and site access points.
- Perform thorough equipment inspections and report maintenance needs.
- Execute grading tasks based on direction from supervisors or site leads.

Expectations:

- Maintain all PPE standards, including respirator use when required.
- Reliable travel to and from work locations.
- Handle extended or night shifts while managing fatigue.
- Operate within a team and take initiative on solo tasks when necessary.
- Balance efficiency with safety at all times.
- Communicate clearly via radio; submit accurate paperwork and logs.
- Respond flexibly to shifting environmental and work conditions.
- Follow best practices for environmental protection.

Assets

- Experience with forest service road or highway grading.
- Familiarity with high-altitude or challenging terrain operations.

Please Note:

This is not a camp provided site. Employees are required to be from the region & find their own accommodations for this local hire project.
