### About Cantex Mining Services

Cantex Mining Services is a leading civil and mining construction company, proudly 100% Indigenous-owned and headquartered in British Columbia. We are a subsidiary of K'en T'em Limited Partnership, whose limited partners are the eight Participating Bands of the Citxw Nlaka'pamux Assembly: Ashcroft Indian Band, Boston Bar First Nation, Coldwater Indian Band, Cook's Ferry Indian Band, Nicomen Indian Band, Nooaitch Indian Band, Shackan Indian Band, and Siska Indian Band.

Cantex is recognized for its unwavering commitment to quality, safety, and operational excellence. Our experienced management team, skilled professionals, and fully trained workforce are dedicated to delivering high-performance projects on time and on budget. We take pride in executing well-managed operations with a focus on safety, reliability, and outstanding workmanship.

As an Indigenous-owned enterprise, Cantex is deeply committed to advancing economic development and creating meaningful opportunities within our communities. We believe in building a strong future by fostering long-term prosperity and sustainable growth for the generations to come.

### Position Overview:

Cantex Mining Services is seeking a Articulating Rock Truck Operator this role involves operating Cat 740 articulated rock trucks or similar equipment to transport materials in a mining or construction environment.

### Responsibilities:

- Operate articulated trucks safely to haul materials in a mining or earthworks setting.
- Conduct pre/post-shift inspections; identify wear or defects.
- Follow site instructions and haul routes precisely.

### Expectations:

- Adhere to full PPE requirements and respirator use.
- Self-transport to remote job sites.
- Manage physical demands of long shifts, including nights.
- Be a reliable, communicative team player and work independently as needed.
- Prioritize safety while maintaining production targets.
- Use radios for clear, professional communication and complete job-related paperwork thoroughly.
- Adjust quickly to environmental or task-based changes.
- Prevent environmental incidents and respond appropriately to site conditions.

### Assets

- Experience with mining haul cycles.
- Understanding of hazard recognition and confined space entry protocols.

### Please Note:

**This is not a camp provided site. Employees are required to be from the region & find their own accommodations for this local hire project.**
