About Cantex Mining Services:

Cantex Mining Services is a leading civil and mining construction company, proudly 100% Indigenous-owned and headquartered in Merritt, British Columbia.

As a subsidiary of K'én T'em Limited Partnership, Cantex is connected to the eight Participating Bands of the Citxw Nlaka'pamux Assembly. We are proud of that foundation and committed to creating meaningful opportunities, supporting Indigenous economic development, and delivering safe, high-quality work in the communities we serve.

About the Opportunity:

At Cantex, we do more than move earth – we build opportunities, strengthen communities, and create lasting impact. Cantex Mining Services is seeking a reliable and motivated Heavy Duty Mechanic to join our team. The successful candidate will be responsible for the maintenance, repair, and service of a wide range of site equipment.

What You'll Be Doing:

- Perform routine inspections, diagnostics, and repairs, and preventative maintenance on a variety of equipment, mainly Caterpillar.
- Troubleshoot and repair mechanical, electrical, and hydraulic issues.
- Maintain accurate records of all maintenance and repairs performed on equipment.
- Ensure all work is completed in compliance with safety standards and regulations.
- Collaborate with other team members to ensure timely and efficient equipment availability.
- Assist in ordering parts and materials as required for repairs and maintenance.

Employment Opportunity

What You'll Be Doing Continued:

- Respond promptly to emergency breakdowns and provide support to minimize downtime.
- Adhere to site-specific safety policies and procedures, maintaining a safe and clean work environment.

What You Bring:

Required Qualifications:

- Valid Red Seal Trade Certification.
- Ability to work in a safe and productive environment.
- Ability to work independently and in a team environment.
- Strong commitment to Safety and attention to detail.
- Experience working on a mine site or similar industrial environment.
- Be able to work in various weather conditions and perform physically demanding tasks.
- Strong diagnostic and trouble shooting skills.
- Must be physically fit and able to lift 50lbs.
- Valid driver's license (Class 5 minimum).
- Own basic tools.
- Strong diagnostic and problem-solving skills.
- Be proficient in the English language.
- Successfully pass pre-employment Drug and Alcohol testing, hearing test, fit work assessment and Operator competency checks.

Preferred Qualifications:

- Proven experience working on Caterpillar/mining equipment.
- Experience with diesel or fleet vehicles.
- Inspection license (CVIP in BC is a bonus).

Why Join Cantex?

We invest in our people and take pride in building a safe, respectful, and supportive workplace.

- Competitive compensation package
- IUOE Pension and Benefits
- Training and professional development opportunities
- Opportunity to work on a major mine-life extension project
- Career growth within a growing Indigenous-owned company
- Safe and supportive work environment
